Gigondas Domaine Les Teyssonnières red 2017 ★★★★★

(concrete vat) dark red robe; the nose has a confident depth, without excess, shows blackberry, raspberry, hints of black olives, isn't really out and about to any extent yet. The palate holds stylish gras richness, smooth tannins well enveloped around it. The finish maintains that squeezy depth, is rounded, shows garrigue herbs. The juice runs well and freely here, and the spark in the wine will please. The length extends well. It has a good future ahead.
