Millésime 2017

2017 Domaine Les Teyssonnières Gigondas 92-94

This estate always flies too far under the radar, but their 2017 Gigondas might just be their best yet. A blend of 80% Grenache and the balance a mix of permitted varieties, brought up all in tank, it has a sweet perfume of ripe cherries, raspberries, flowers, and spice. This gives way to a medium-bodied Gigondas that has a great, silky texture, incredibly polished tannins, and no hard edges. The texture is straight-up gorgeous. I hope this beauty shows this well from bottle!
