

Gigondas rouges millésime 2012 – Notes et commentaires de Josh Raynolds Avril-Mai 2015

2012 Domaine Les Teyssonnières Gigondas 91

Deep ruby. Sexy, expansive red and dark berry preserve aromas pick up notes of floral pastilles and Asian spices with air. Silky, sweet and broad in the mouth, offering intense black raspberry and spicecake flavors and a touch of bitter orange pith. Closes long and sweet, with supple tannins moving in slowly and folding into the wine's plump fruit.

2012 Domaine Les Teyssonnières Gigondas Cuvée Alexandre 92

Opaque ruby. Deeply pitched aromas of black raspberry and licorice are brightened by a sexy floral quality. Broad and seamless in texture, showing very good depth to its dark fruit flavors as well as a mineral quality that contributes focus and lift. Finishes with smooth tannins, an echo of candied flowers and excellent persistence.
